Key Worker - Wheatsheaf Trust

Wheatsheaf Trust, working in South Hampshire and the Isle of Wight, is a registered charity dedicated to promoting social inclusion for disadvantaged groups through advising and supporting people to enter training, education or employment.

We have a variety of contracts that we are presently delivering and are seeking to appoint full time Key Workers on fixed term contract. The principal base will be our Southampton Employment Access Centre, but the flexibility to travel to our other sites in South Hampshire will be required. There will also be a requirement to do outreach work and therefore access to your own transport is essential.

Applicants should have significant experience of supporting long term unemployed people into work. Experience of supporting people with disabilities, health conditions and mental health issues into employment will be advantageous. Applicants should also be NVQ qualified in Information, Advice & Guidance (Level 4) or equivalent and be familiar with working in a 'payment by results' contracting environment.

Salary £23,711 - £24, 647 (dependent on experience)

Job Description, and Person Specification can be found on the relevant page on www.wheatsheaftrust.org.

Please apply by completing the application form which can also be found on our website.

Closing date: 31/01/18

Completed applications to be returned to:

Business Insight Week - Step into business with PwC's week-long summer programme

Are you in Year 12 with an interest in business?

Are you thinking about your next steps once you leave school or college?

Do you want to work with some of the most successful organisations in the world?

If you're thinking about a career in business and want to discover what it's like to work in a world-leading organisation, our Business Insight Week is a great place to start - apply by 28th January 2018 to join us for a week of work experience this summer holiday!

How to apply

Vacancies are open NOW to 28th January 2018.

1. Apply online and create your application form here: <http://www.pwc.co.uk/careers/school-jobs/jobs/work-experience/business-insight-week.html>

2. You'll be invited to take two Psychometric tests online - numerical and verbal reasoning - and can find lots of hints and tips on these via this link: <http://www.pwc.co.uk/careers/school-jobs/employability.html>
You'll want to practice some of these before as this may be the first time you have seen them.

3. If successful, you'll be invited to the final stage, a 20 minute telephone interview, where you'll be asked about your understanding of the programme and why you would like to join us for work experience.

4. After this.. we'll be able to give you a call with your offer to join us this summer for Business Insight Week!

What you'll do

You'll kick-start your week with a days training where you'll get to meet everyone else doing the Business Insight Week, and you'll start building your network from day one. We'll help to prepare you for the week ahead and we'll give you all the support you need to succeed. You'll decide on which office you want to work in when you apply, so you can focus on getting the most out of this experience and get a real feel for who we are.

You'll get a unique insight into how the world of business works, putting you a step ahead of the competition when you start looking for a job. Not only this, but if you do well, you could be on your way to a securing a permanent role with us when you finish school or college. So no matter what background you're from or what subjects you're studying, we'd love you to join us. **Business Insight Week is taking place in offices nationwide on the week commencing 6th August and 20th August.**

Who we are

We're one of the world's leading professional services organisations. From 158 countries, we advise some of the most successful organisations in the world, as well as its most dynamic entrepreneurs and thriving private businesses. Over the course of five action-packed days, you'll spend time with our people learning about the work we do and get a behind the scenes look at how big business is done. You'll see how we advise household brands and global organisations on everything from tax and planning for the future to understanding the health of their finances, how they can make best use of their technology and meet the challenges of a changing world of business.
