

Southampton Virtual Jobs Fair

Thank you for registering to attend Southampton Virtual Jobs Fair. The Virtual Jobs Fair is an exciting new opportunity from Southampton City Council and Southampton Jobcentre to assist job seekers, those currently unemployed, furloughed or being made redundant to engage with recruiting employers.

How it will work

1. Choose the employment sectors and webinars you are interested in when registering on Eventbrite
2. You will receive a link to join the Zoom events for the sectors/webinars you have chosen.
3. At the time of your slot, click the link and enter the password on Zoom to meet employers and watch webinars
4. You will have 5 minutes with each employer in a breakout room – this will be 1 to 1 time with you and the employer to ask any questions and discuss their vacancies
5. In addition to this, job vacancies will also be shared on Twitter throughout the day under the hashtag [#SotonVJF](#)

For more information about how the day will work, take a look at our [information video on YouTube](#)
